Requests sanction to the
proposal of the Pagan Town M.C.
to give an allowance of one anna
per cash case vaccinated by the
M Howard Vaccinator

The system is proposed to be
given effect from 1 4 26

This involves the principle of
payment for overtime work done by
the M Howard Vaccinator. The Sanitary
Commr may perhaps be consulted
first

The M.C. have
not given in detail the
reasons for such an arrangement.
The number of cases to be vaccinated
in a month or year, the cost of the
same according to the rate proposed
& cost under the scheme of a salaried
vaccinator. I think the services of
the local but-but surgeon may not
be required. Information is
wanted to these matters before
with a copy of the vaccination
rules framed by the Council

together with a copy of the Vaccination Bylaw, received from the President

only 116 and the remuneration claimed by him is Rs 7-4-0. The Municipal

solicited for the same. The report also says that arrangements have since
made to train the Sanitary Inspector of the Municipality in Vaccination

In these circumstances, sanction of Government may kindly be
granted for the payment of the sum of Rs 7-4-0 to the Taluk Board
